GOOD HELPERS

The above mentioned Korean national organizations approached the Hini Royal Kraal asking for land to carry out their mission activities as covered in their mission manual which has a clear layout of their aims and objectives. Having understood how Emaswatiini stand to benefit on the project the indvuna with the elders accepted and welcome the development at Hini area. Land for the development was decided and allocated. Libandla was then commissioned to officiate the handover of the land to carry out the developmental activity.
